Household Garbage

Household garbage **must be** secured in containers so it will not fall out or be subject to being scattered by animals. All containers should have handles for lifting. Receptacles should not weigh more than 50 pounds (Note: No trash should be on the ground for pickup only in receptacles).

All Garbage should be sat out by 7:30 a.m. on the designated pickup day.

Brush Pickup

Brush will be picked up weekly following our residential pickup schedule. Brush or tree limbs must be trimmed to no longer than ten foot and placed in an accessible place to pick up from the road. Avoid placement under power lines or near automobiles.

Bulk Pickup

Bulk pickup will occur weekly following our residential pickup schedule. Bulk must be in an accessible place to pick up from the road. Avoid placement under power lines or near automobiles.

Special Instructions

- Make sure household garbage is in the correct receptacles.
- Make sure all brush is separated from other items such as wood and bulk pickup items.
- Make sure Brush and Bulk is an accessible place for loading.
- Make sure Bulk items do not contain any hazardous materials or liquids.
- Make sure Bulk items are separated from weekly garbage pickup.
- Make sure Bulk items are separated from Brush pickup items.

Items the Town will not pick up

- Stumps, Tires, Shingles, Batteries, Fence Wire.
- Hazardous waste such as oils/solvent, insecticides, pesticides, liquid paints, asbestos.
