ARPA Funds Request:

Tony Cordle: Went to the Town Council meeting and proposed the projects that we previously discussed. The meeting went very well, and they seem open to approving some of the proposed projects. The listing of projects was provided and they requested that we update the estimates and present at the next meeting. Jessica has worked on the estimates, and the only one we need is the tennis court estimate updated. She will contact them to get the updates. They also discussed the water slides, and it would be great for the kids. The slide is broken, and the existing ones need replaced before the next swim season. We need to provide a priority order when we present back as well. The group discussed the projects and ordered them in the following priority order:

Water Slide and Fencing
Critterville Repairs
Tennis Court Renovations for Multi Court (1 basketball, 1 tennis, 1 pickleball)
Recreation Park Upstairs Remodel
Gym Garage Door
Floor Cleaning Machine

Recreation Director Updates:

Jessica Reynolds: Volleyball is going on and we started registration. It did really well last year and Lisa Cordle will be helping run it again this year. Tony Cordle: I would still like a 35/older basketball if we can. Everything seems to be going very well. The main thing is getting the ARPA request together.

Miscellaneous Updates:

Jessica Reynolds presented the new Field Usage agreement with updated language. The group discussed and no issues were presented. Tony Cordle: It is also that time of the year for the Volunteer of the Year Award. We need to start thinking of names for that.

No further discussions.

Craig Earls made a motion to adjourn the meeting. Jeff Hurst seconded the motion. No further comments. Motion carries 8/0.

Next Meeting November 21st at 7:00 P.M.
